#### BRUNO DAVID GALLERY PRESENTS NEW WORK BY ITS AFFILIATED ARTISTS

SAINT LOUIS, MO — Bruno David Gallery is pleased to present **RECESSION REJUVENATIONS**, a selection of recent works by the artists of the gallery. The current group exhibition is a testament to the resilience of the creative impulse in the face of economic adversity. Even as the global community is wracked by recession, political unrest, and enormous threats to the environment, artists remain committed to following their inspirations within the confines of their studios. This exhibition of small works represents the current artistic endeavors of St. Louis' foremost contemporary artists and provides insight into some of the current trends and pulse of the local art community.

The confluence of distinguished art institutions with an array of innovative artists forms the basis of a vibrant arts scene in this metropolitan area. In addition to eminent visual arts establishments such as The Pulitzer Foundation for the Arts, the Contemporary Art Museum St. Louis, The Mildred Lane Kemper Art Museum, the St. Louis Art Museum, the Sheldon Art Galleries, the local arts scene is enriched by musical and performing arts at the Saint Louis Symphony Orchestra, the Opera Theatre of Saint Louis, The Fox Theatre, The Sheldon, and the Saint Louis Blues Society. The artists featured in this exhibition are a testament to the vitality of the St. Louis art community during these challenging times. These are their personal visions realized.
