SAINT LOUIS, May 8 -- Bruno David Gallery is pleased to announce the exhibit *MYTHOLOGIES* by multimedia artist **Frank Schwaiger**. The opening reception for the artist is Friday, July 20, 2007.

Mr. Schwaiger presents his recent pieces. His latest works are not quite sculpture; these forms are more in touch with the presence between what is real and what is not. The things we might have forgotten, the things we never knew or noticed--the shadow that follows us, the light that warms us, the basic aspects of existence.

Schwaiger has exhibited his work widely. He is a graduate of the Washington University in St. Louis, School of Architecture, and received his Master from Southern Illinois University.
