BRUNO DAVID GALLERY ANNOUNCE NEW AFFILIATION WITH PAINTER LAURA BEARD

The Bruno David Gallery is pleased to announce its new affiliation with painter Laura Beard.

Laura Beard brings to the gallery another vision creating complete abstraction, continuing along a path of thoughtful contemporary art set by other artists in the Bruno David Gallery. We look forward to future exhibitions highlighting her work.

Ms. Beard's work has been described by art critic Jeff Daniel as "having an ability to move forward while keeping a firm grip on art history's recent past." It is this knowledge that enables her to produce such dynamic paintings while still holding itself on solid ground. Laura Beard's paintings are a demonstration of texture and color that show the power and potential that is unique to the language of painterly abstraction. The continuity offered by the geometric sequences both balance the chaos and hold the viewer within the painting.

After receiving her Bachelor of Fine Arts in painting/printmaking from Colorado State University, she went on to gain a Master of Fine Arts in painting from the University of Washington in Seattle. Laura Beard has received numerous awards as well as critical acclaim for her work.
